

The Irony of Intimacy

It takes three people to fully realize the potential of a Christ-centered marriage: God, the wife, and the husband. The closer we are to God, the healthier is our relationship with one another. With God at the center, the couple's union in marriage will be beautiful, fulfilling, and fruitful.

The purpose of the AEUNA couple's ministry and especially the couple's retreat is to encourage couples through Christ-centered fellowship with fun scriptural teaching. Our purpose is to appropriate God's promises and the potential for married couples.

The AEUNA Couples ministry provides a medium where we can all share our experiences and joys. We can learn from one another and encourage each other. We want to seek God's help to continuously rekindle our love for God and for each other.

The couple's retreats are a wonderful opportunity to get to know one another as we share, have fun, and improve our relationships as couples.

Join with friends throughout the Eastern United States and Canada to learn from Drs. Paul & Virginia Friesen of Home Improvement Ministries about fanning the flames of our marriages and to worship, discussion groups, a beautiful banquet, a talent show and time to relax with your spouse and with other couples, we hope

this weekend will renew and refresh you as a couple. Plenty of free time is built in for resting, talking, or enjoying the beauty of Montreal as fall approaches.

Drs. Paul and Virginia Friesen

Were married in 1976 and are the parents of three young women, the eldest of which married in February of 2007. They have been involved in Family Ministries for over 30 years through family camps, church staff positions, speaking, consulting, and writing. Founders of Home Improvement Ministries, they regularly speak at marriage, men's, and women's conferences across the country. Their greatest joy in life is knowing that their children are "walking in the truth."
